FOREWORD

To produce an annual recording our gay, happy, and carefree high school days and to serve the purpose of helping you remember in later years the old friends, the delightful times, and the unfailing loyalty of the Kewpie Spirit has been the aim of the 1946 Cresset Staff. If such an impression remains with you, then shall our fondest hopes be realized.

DEDICATION

To the first graduating class of Columbia High School which fifty years ago instituted the ideals and upheld the standards that have become a vital part of the Kewpie Tradition, we, the Senior Class of 1946, with sincere appreciation dedicate this volume of the Cresset.

MR. ZIEGLER

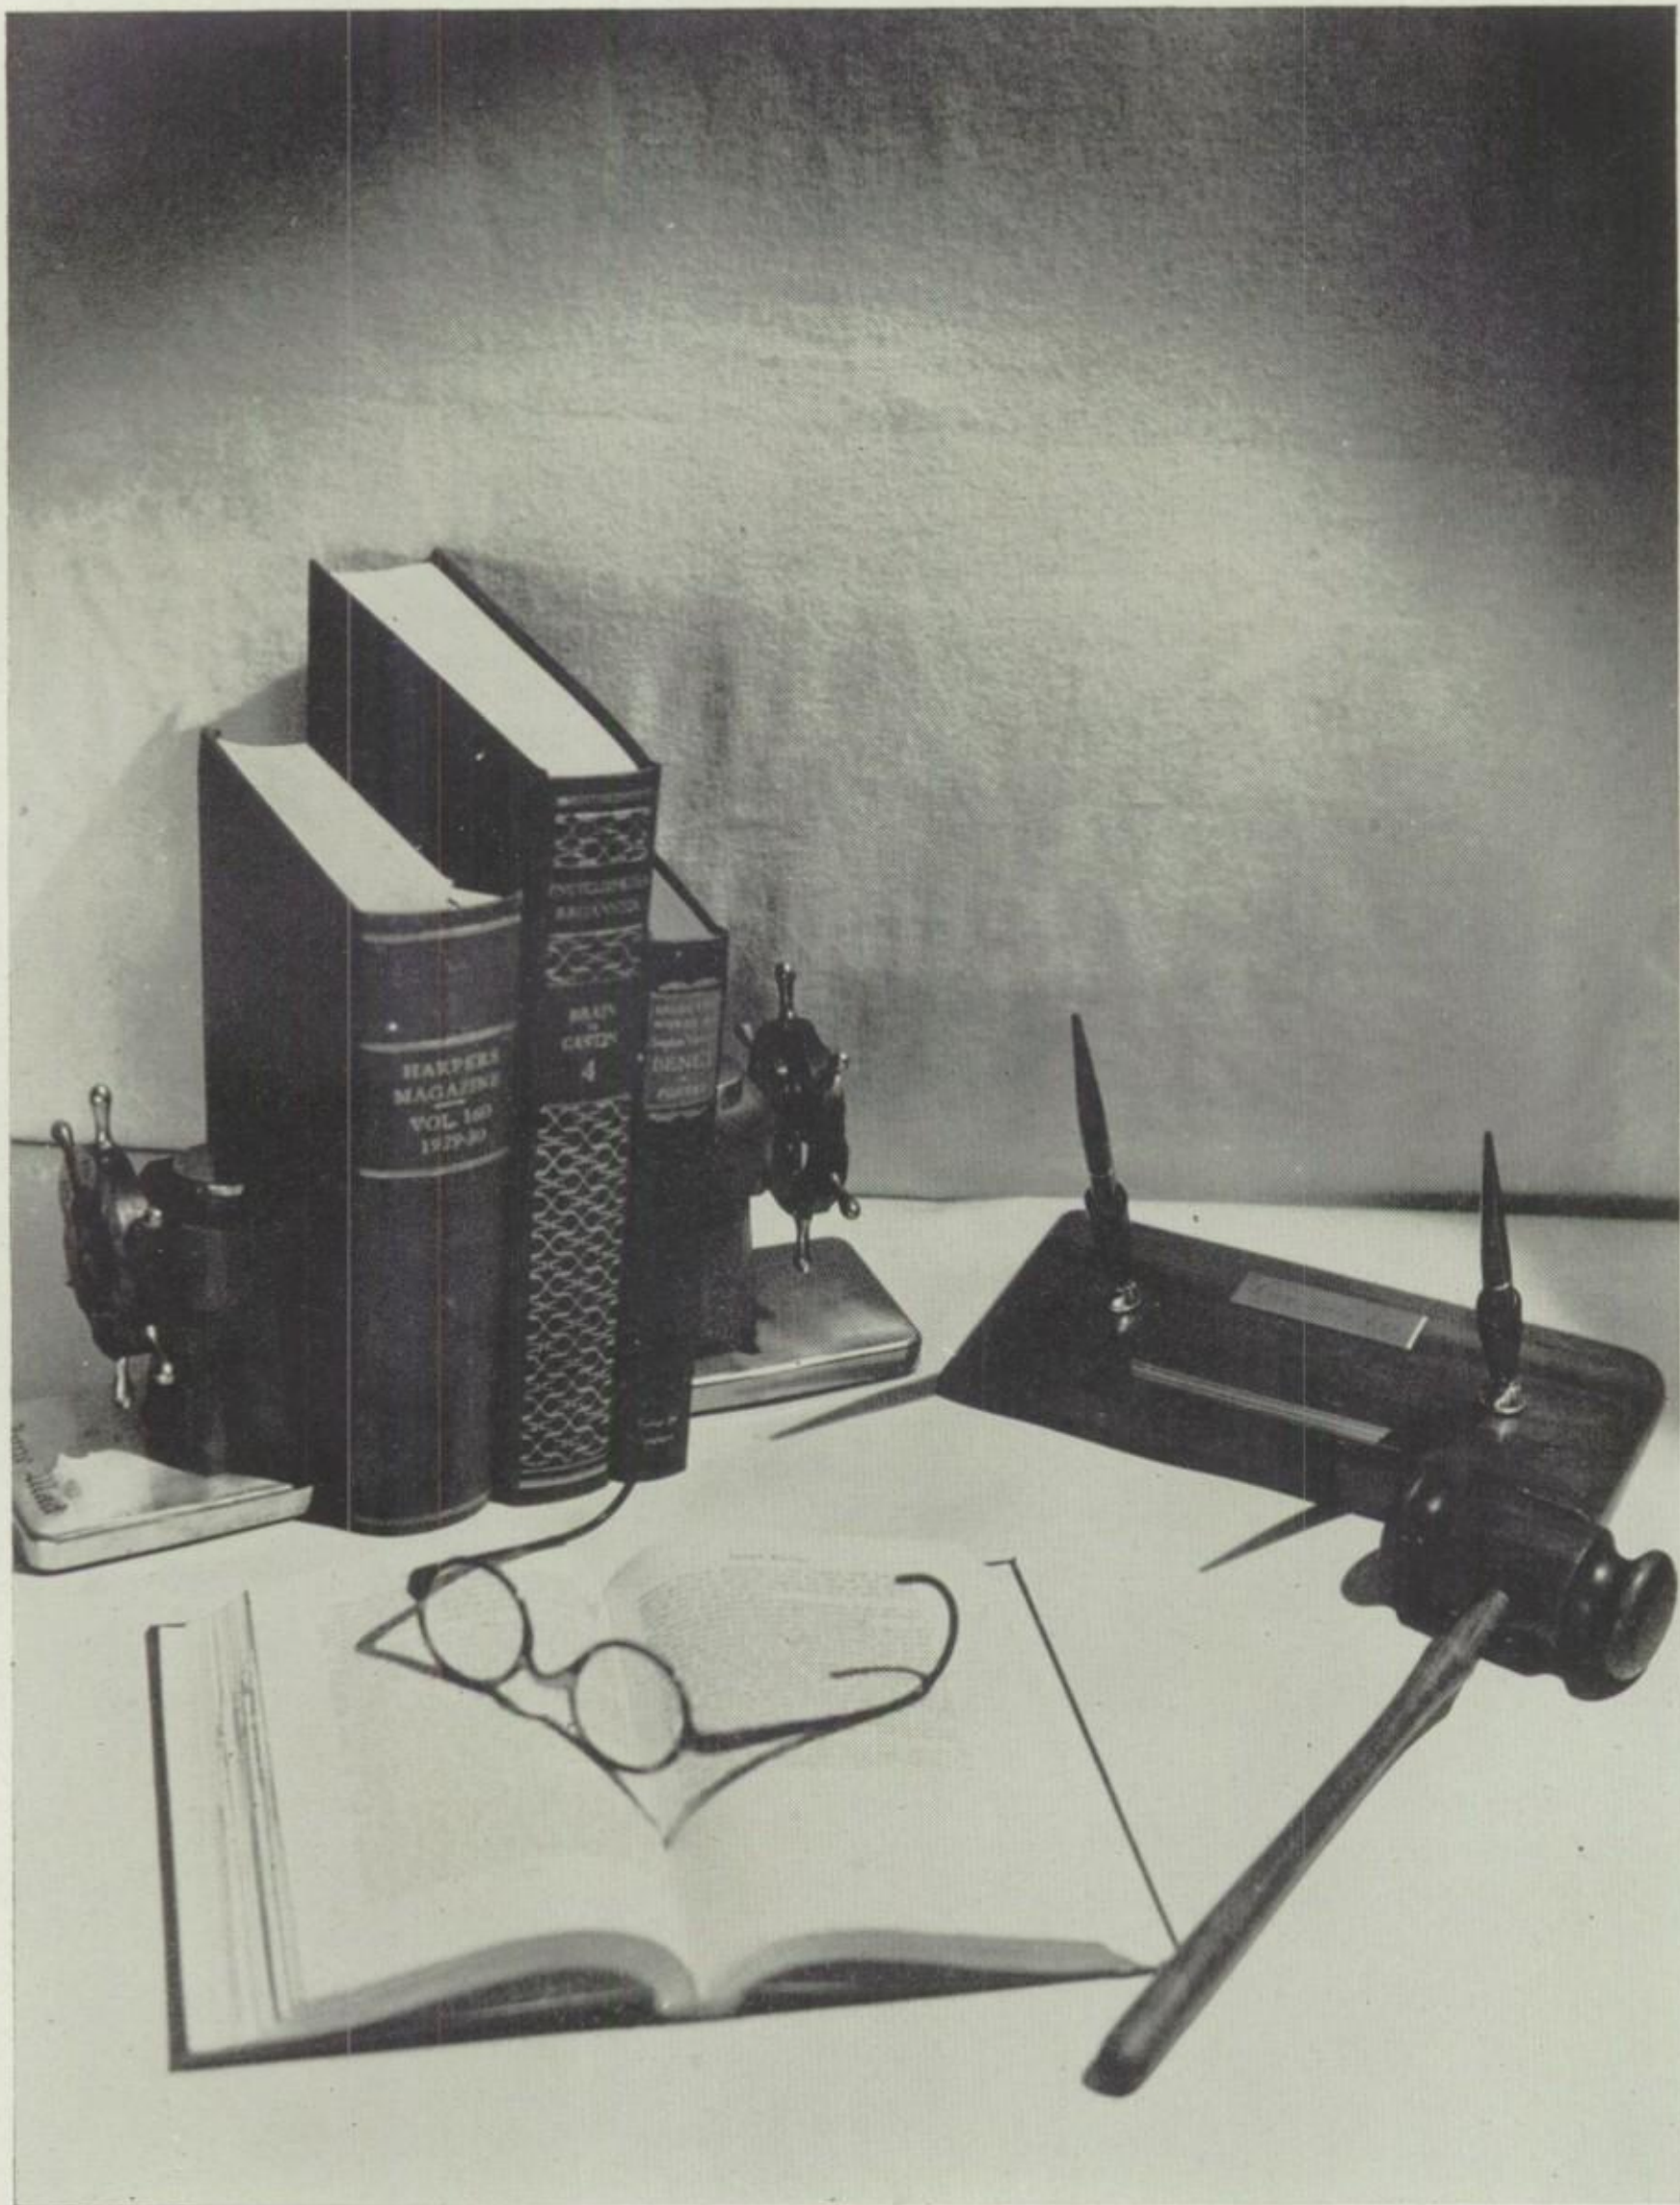

Hickman students and teachers, as well as all Columbians, are proud to have Mr. Ziegler as their superintendent of schools. He has a pleasant manner, a kind smile and a fine regard for all. He is always on hand when we need him and always ready to cooperate in Hickman's activities.

BOARD OF EDUCATION

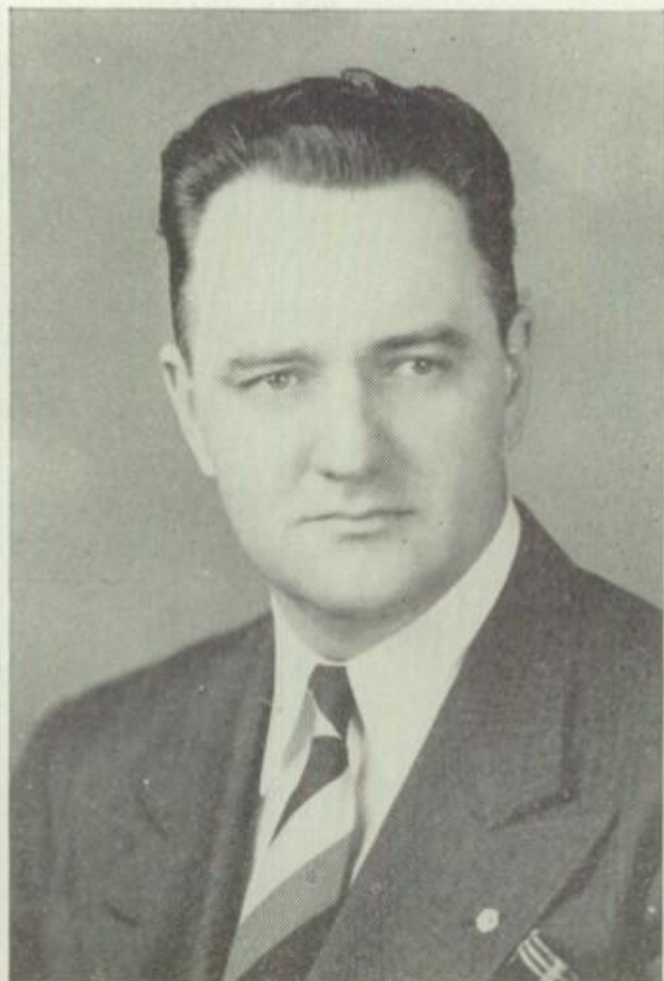

These prominent citizens have the interests of Hickman and our Columbia schools at heart and do their utmost to place before us educational advantages for the development of good citizenship.

Standing: Mr. Robert Draffen, Treasurer; Mr. William F. St. Clair, Vice-President; Mr. J. D. Hall, Secretary; Mr. Leslie T. Proctor.
Seated: Mr. C. Moss Edwards, President; Dr. Hugh Stephenson, Mr. Ed Robertson. Not in the picture: Lt. Noah E. Martin.

ADMINISTRATION

MR. ASLIN

Since coming to Hickman two years ago, Mr. Aslin has shown a friendly cooperation and interest in the activities of the school as a whole. He is interested in the progress of the individual students and their ability to take responsibility and handle it well. Yet he knows that if they take this responsibility, they will need a little friendly advice in solving their problems, and he is always willing to give it.

Mr. Neil C. Aslin is a "regular fellow," and no school could ask for a better principal.

MRS. WILLIAMS

"Fat black bucks in a wine barrel room," comes galloping thunderously from room 103 during speech classes. Verse Choir is one of Mrs. Williams' many activities at Hickman, the Senior Play following close behind. Also assistant principal, Mrs. Williams assists in school affairs most ably. During her day many problems arise and are handled most efficiently. Her wide interest in all the students' troubles and problems is only equaled by her personality and charm which is felt throughout the school.

MR. McKAY

Mr. McKay is known at Hickman as the friendly fellow with a taste for yarns, and a knack for making people laugh. He's also known as a hard-working individual who can be counted on to give his best to any task he undertakes. As Co-ordinator at Hickman, his job is to find work for students, and to check their progress. Also included in his daily schedule is the teaching of three classes in personnel. A genial person with a host of friends, Mr. McKay is a Kewpie favorite.

MRS. EADS

The woman with the cheerful smile and sunny disposition who irons out any difficulties Kewpies may find facing them is none other than Mrs. Eads, the competent Guidance Director at Hickman. Besides steering troubled Kewpies back on the road to happiness, she manages to salvage sufficient time to teach two classes of senior English, and to sponsor the Golden Quill Club. An active person with a magnetic personality, Mrs. Eads is well-liked by all at Hickman.

MISS HOWELL

A true friend and booster for Hickman is Miss Roberta Howell. The junior class couldn't get along without Miss Howell to sponsor the Purple and Gold. Besides this valuable service Miss Howell's main purpose is to civilize the speech of the juniors in her English III classes. Her charming manner and interest in the welfare of every student have made her one of our best loved teachers here at Hickman. Yes sir-ee, Miss Howell is a real Kewpie standby!

MISS SPANGLER

Among the teachers new at Hickman this year Miss Spangler ranks high on our list of favorites. Although English is a required subject students find it absorbingly interesting under her leadership. Sophs and juniors have no difficulty in acquiring a good foundation to guide them through future, more difficult English courses if they are fortunate enough to have Miss Spangler as teacher. Characterized by her quiet charm and gracious manner, Miss Spangler is liked by all at Hickman.

MISS INGRUM

Who's the Most Versatile Teacher at Hickman? That's a difficult question, for H.H.S. boasts of a faculty with unlimited talent and ability. A person most deserving of the title, however, is Miss Ingram, teacher of Latin and sophomore English.

Not only does Miss Ingram sponsor the sophomore class in all its activities, but she helps direct the annual Operetta as well. In addition, she wields a make-up brush before plays, preparing the actors for their Grand Entrance. Miss Ingram has done a lot for Hickman, and we're grateful.

MR. DAVIDSON

Mr. Charles Davidson, our Spanish and French teacher, is new to Hickman this year, and we are indeed fortunate in having him on the faculty. His efficiency and capability are recognized by all. His conscientious and human personality have won him many friends. He is sponsor of the Foreign Language Club and a favorite with the students. We sincerely hope Mr. Davidson will be with us for a long time. He is a credit to the school.

MISS PRATHER

The mysteries of "The Development of America" are skillfully solved and explained to the jolly juniors, and the exploits of Columbus and Napoleon artistically presented to the semi-greenies by Miss Evelyn Prather, American and world history teacher.

Her genuine interest in Franklin Club and their "doings" is a known fact to its members. Her refined, gracious manner is a true asset to Hickman. We are proud of Miss Prather!

MRS. ELIJAH

Have you ever seen red hair, and personality plus all rolled into one? Well, we have! Just ask any Kewpie, especially a senior, and he will tell you, "That's 'Jo' Elijah, teacher of American history, sociology and international relations, and sponsor of Franklin Club and the senior class!" Last year was Mrs. Elijah's first year at Hickman, but it didn't take long for us to realize we had a wonderful person in our midst. A swell Kewpie booster!

MISS KARLEEN FORBIS

She devours *On the Road to Civilization*, *World History*, and *Story of Nations*. Not only does she take it all in, but she "lays it on" and those poor greenies have to like it. With the Forbis special charm, good nature and unique ideas for presenting history to the class, they can't keep from liking it. She also has charge of the Camera Club. Flash—Miss Forbis is one Kewpie that Hickmanites love.

MRS. FYFER

Passing by the hall in a hurry, it is easy to miss her cheerful smile and delightful personality. Mrs. Fyfer's time is divided between keeping her classes at their Art Craft and preventing the greenies from ascending and descending through the wrong door of the cafeteria. Mrs. Fyfer not only teaches art craft at Hickman but in addition teaches English to the Sophomores. She is always courteous and always looks her best. Besides all her classes, Mrs. Fyfer has the job of training girls to be "Kewpie Ushers."

MRS. LONG

It takes an individual with a great deal of patience, understanding, and tact to sponsor a group as rambunctious as the Cresset class. Mrs. Long, Hickman's art teacher and Cresset sponsor, fills the bill to perfection. In addition to teaching her students the fundamentals of becoming good artists, this busy lady plans various stage decorations and scenery, illustrations for programs, and anything at Hickman which involves art. Two clubs—the National Art Honor Society and Art Workshop—are proud to have her as their sponsor. An all around fine teacher, Mrs. Long is a valuable member of the Hickman faculty.

MISS OWEN

If there were such a saying Miss Owen would be called the "Lady of the House!" She is the "master" of her kitchenette and the "captain" of her sewing room! Home economics is one of the most useful studies in Hickman as well as in any school, and Miss Owen is right "on the beam" when it comes to making it fun. She's happy, kind, and deft at helping her students. If Hickman could hand to her as much as she has handed Hickman, we would be busy for a long time.

MISS DRENNAN

Miss Betty Drennan is that friendly, pleasant teacher of bookkeeping, typing, and business and economic problems who always has a smile for you.

She came to Hickman three years ago and since then has become a friend of every Kewpie. She is a sponsor of pep-squad and co-sponsor of F.B.L.A. Club. We are proud to have Miss Drennan on our faculty. She is a wonderful person and friend of everyone at Hickman.

MRS. SHOCKLEY

Though she arrived late in the school year Mrs. Shockley picked up the loose ends of her typing classes, and how her students did work after that! She puts typing up to her students in such a way that interest and accuracy are pushed to the limit.

Her quick smile and pleasant disposition make typing easier for the beginning student.

Hickman welcomes Mrs. Shockley within its walls and is proud to have her on its staff.

MISS JORDAN

The winning way and gracious manner of Miss Chloe Jordan are a constant inspiration to would-be secretaries. Besides teaching her shorthand and typing classes, Miss Jordan finds time to co-sponsor F.B.L.A. and help the seniors get ready for commencement and many of their other varied activities. Miss Jordan's efforts in encouraging her secretarial practice girls to be more "business-like" are often gratefully remembered after her lassies leave Hickman. She deserves a lot of credit for her understanding and co-operation in making Hickman a better school.

MISS KITCHENS

Miss Kitchen's time, if it could be said that she has time, is divided between keeping close tab on the school's funds, teaching geometry, and sponsoring Blue Triangle, Honorary Math Club. Through Miss Kitchen's hands passes the money that keeps the ball rolling at Hickman High School. In teaching geometry Miss Kitchens makes it easy and helps the students solve its mysteries. You can already see that Miss Kitchens deserves the title of "Our foremost genius and mathematician and one of the likable teachers at Hickman."

MISS MAXINE BRISCOE

"Wow! Who's that?" "That's Miss Briscoe, the new algebra teacher." This was common conversation at the beginning of school, but now every wide awake Kewpie knows "the cute blonde with the freckles." Besides teaching elementary and advanced algebra, Miss Briscoe sponsors the Dance Club.

Miss Briscoe is new at Hickman this year having just recently graduated from the University of Missouri. Her charming and gracious manner have made us all glad that she joined the Hickman faculty and became a Kewpie.

MRS. GIBBANY

The heavenly quiet in the library which greets the student exhausted by an advanced algebra test is the result of constant effort by Mrs. Eliza Gibbany, our librarian. Mrs. Gibbany is always ready to give aid to students who may be trying to secure books or information. She is the sponsor of the Library Club, which has long been a leading organization and is known for its annual tea—always a success. We couldn't do without Mrs. Gibbany!

COACH DE GREEFF

Tall, dark and handsome—that's Our Coach! A sunny side and a stern one make up his nature.

Coach has handled the football and basketball squads in a manner approved for consistent winning at game-time.

He has instituted games for gymnastics, which seems to agree with one and all. Pebbles and rocks disappear like magic from the track when coach puts his gym classes to work!

To say that Hickman has profited from his presence is an understatement. A regular fellow, that's De Greeff.

MISS SPATH

Pleasant and business-like—that's Miss Martha (Speedy) Spath, the girls' gym teacher. She manages to keep her gym classes in order and still be the girls' friend.

Miss Spath came to Hickman three years ago and has since established a place for herself in the hearts of all the Kewpies. Before school started we thought we had lost Miss Spath, but we are glad she reconsidered and decided to remain at Hickman.

MR. BOLLINGER

Amid the tumult and confusion following an explosion from the chemistry room stands Mr. R. L. Bollinger very calmly surveying the scene. Mr. Bollinger is teacher of chemistry, physics, and biology which includes sophomores, juniors and seniors.

It is no wonder that wherever he is seen he is always busy. Mr. Bollinger is one of Hickman's many teachers who is liked and admired as a good friend, a fine teacher, and a "swell guy."

MR. STRONG

Mr. Strong has the husky build of a football player, the genial personality of an Irishman, and the untiring energy of a man from Mars. All these qualities he puts to use in making our Kewpie Kingdom better—whether it be by helping his students turn out attractive and useful articles on the lathe or by building the stage sets for our special assemblies. In addition to his regular duties, Mr. Strong sponsors the Girls' Woodwork Club—an organization of girls interested in learning the technique of manual training.

The football boys know Mr. Strong as a tireless worker and true friend; all Hickman recognizes him as a grand Kewpie.

MR. ELLIS

"That's keen" is a quotation frequently made by a skilled musician whom we all know. After a year, he is firmly fastened to Hickman's faculty. Everyone knows him and admires his technique. Because of his likable personality and recognized ability he has made a favorable place for himself in Kewpie Land. Mr. Ellis has worked wonders with the mixed chorus, presented fine concerts, and given an excellent operetta entitled "Shreds and Patches." Need we say more? All agree that we're fortunate to have Mr. Ellis at Hickman.

MRS. CHEAVENS

Mrs. Cheavens is that pleasant woman who has charge of the cafeteria. She has a great responsibility and handles it well. Everywhere she goes she looks at menus to see what other people eat so she can plan better meals for the Kewpies at Hickman. We see very little of her, but we know she is here when we need her most—during the lunch periods!

MISS COCHRANE

Miss Cochran is the lovely young lady who presides over the east office. She came to Hickman last year to take over the duties left to her when Miss Davis joined the Red Cross. In addition to being a capable secretary to Mr. Aslin, she furnishes helpful information to bewildered teachers and students and issues the all important bulletin.

Besides her office duties, Miss Cochran is sponsor of the dramatic club, Kewpie Playhouse.

MRS. ADKINS

One of the first persons "sophies" are likely to meet when they start to Hickman is the lady in the west office who hands out the white (?) slips. Mrs. Adkins handles her many difficult and often exasperating jobs with efficiency and diligence. Her accuracy in checking up on the "play-hookey" pupils is unfailing and many have regretted their waywardness when the time came to get that "excuse." Mrs. Adkins does her share in keeping Hickman on the top.

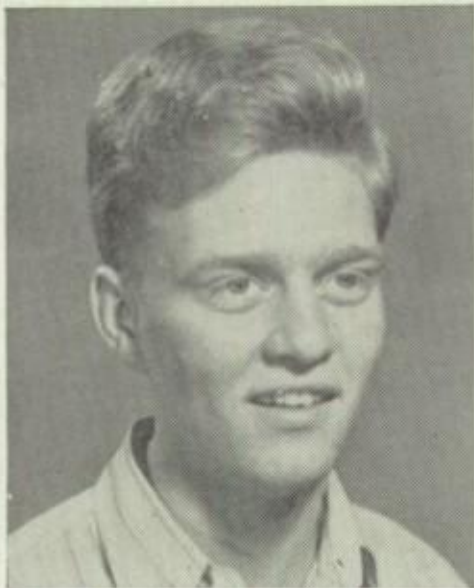

STUDENTS WHO WORK IN WEST OFFICE

Mrs. Eads and Mrs. Adkins have several students who help with the work in the west office. They pick up absence slips and enter them, do typing, mimeographing, and filing, answer the phone, run errands, and just anything that needs to be done around the office. Their work is a great help to the school.

Mrs. Eads has Betty Walton, Fern Brown, and Betty Harper, who do very efficient work for her.

Mrs. Adkins' helpers are Lorna Coons, Marian Dailey, Norma Baker, Forestine Gilmore, Betty Jo Mills, Marjorie Trimble, Alice Jean Hill, Mac Calvin, Helen Heath, Wanda Stewart, Dorothy Woods, Frances Schotte, and Eva Short.

STUDENT COUNCIL

The Student Council of Hickman High School, under the able guidance of Charles Balsamo, has maintained the highest standards of our school. In addition to promoting better citizenship within the student body, it has earnestly worked to encourage a just form of student government..

With the interest of the student body as its guiding light, the Student Council has ever been willing to advance any policy which it believes will foster school spirit and bring honor to the name of Hickman.

CLASSES

RICHARD McDERMOTT, *President*

THE SENIOR CLASS

OUR SENIOR CLASS of 1946 can look back upon a year of homework, many interesting activities and a great deal of fun. This year has come and gone bringing with it such traditional events as the senior play, dance and banquet. These activities were carried out with efficiency under the able guidance of Richard McDermott, class president and Mrs. H. D. Elijah, class sponsor.

CHARLES POWELL, *Vice-President*

JERRY SORIN, *Secretary*

GENE JOHNSON, *Treasurer*

A successful year depends on an alert class and our class has ever been eager to take advantage of the opportunities placed before it. We have the distinction of being the fiftieth graduating class from the Columbia Public School System. A golden anniversary could have no better class to accompany it. The Halls of Hickman echo "outstanding" in a tribute to the Senior Class of 1946.

THE SOPHOMORE CLASS

THE ONES WHO GET sleep at night—the ones who don't grumble about lessons—the ones who study the hardest—the ones who observe rather than participate—those are the sophomores.

A. O. GRIGGS, *Vice-President*

DORIS THOMPSON, *Secretary*

PATRICIA HAYES, *Treasurer*

Among their many activities, the sophomore assembly stands out most. Under the helping hand of Miss Ruth Ingram, President J. W. Blakemore, and the other officers, the sophomore class of 1945-46 has prospered. A lot should be said for these lowly sophs. They have a grand spirit that prevailed during St. Pat's Day and the rest of the year.

ACTIVITIES

FOOTBALL

Today football season remains six months of history—personal and private history to be coveted and shared by the players; excitement and glory for the pep squad and individual Hickman boosters . . . These emotions and dreams remain history's fancy, though yet they neigh always are vivid illustrations of our high school experiences.

However, considering team and fans as a single unit, one particular characteristic yet prevails in memory of the '45 gridiron season—"the spirit of Kewpie sportsmanship."

"The spirit of Kewpie sportsmanship" was a realistic standard which prevailed on the '45 football field. This same standard or an identical token, which of necessity should be formulated and cher-

ished by each succeeding team, is a challenge to Hickman athletes of tomorrow.

What is "the spirit of Kewpie sportsmanship"? . . . Those football players who graduate leave no answer; those who linger know no solution. It has been stated, however, that their emotions and dreams will always remain vivid—Jefferson City 13, Columbia 6 . . . Columbia 25, North Kansas City 19. Yes, the other contests might be remembered, but those two games in particular will forever be replayed. This may rightly be attributed to "the spirit of Kewpie sportsmanship" which predominated; the Kewpies were at their best.

It might well be that this standard or token, "the spirit of Kewpie sportsmanship," be extended to the teams of tomorrow . . . may they cherish it as yesterday's and especially today's Kewpies have lived and remembered it.

*Keep coming back for all they've got and take it with a grin,
When disappointment trips you up or failure barks your shin,
Let those who whipped you know, at least, they too have had a fight.
For when the One Great Scorer comes to write against your name,
He marks—not that you won or lost, but how you played the game.*

G. A. A.

G. A. A. (Girls Athletic Association) is open to all girls in Hickman who are interested in athletic activities. Basketball, baseball, hockey, soccer, volleyball, aerial darts, and ping pong are some of the games that members of G. A. A. participate in. These games are usually carried out in tournament form with the girls electing their captains. Hiking and various social affairs such as dances are included also in the many activities of the club. Interest in participation in the sports is stimulated by a point system whereby awards are earned. The awards are first a letter, second a pin and third a sweater.

G. A. A. was added to Hickman roster of clubs by Miss Spath three years ago. Miss Spath still maintains the position of sponsor and can claim the largest enrollment in her club than any other in Hickman.

CHEER LEADERS

The 1945-46 Pep Squad was ably led in its cheers by Mary Virginia Harrell, William McCray, Ed. McCray, Sue Tharp, Elinor Wilson, Phyllis Agee, and Betty Elkin. The first three are senior leaders and have been at the helm of the pep squad all this year. Much of the ardent enthusiasm shown by the Kewpies at all their games was due to the splendid work of the cheer leaders.

Ed. McCray, Sue Tharpe, Mary V. Harrell and Wm. McCray.

PEP SQUAD

Like most schools, Hickman has its Pep Squad. Its purpose is to furnish the lead at football and basketball games in the cheering. Their uniforms are purple and gold, their co-sponsors are Miss Drennan and Miss Spath.

Besides the cheering the Pep Squad had among its traditions several social events. A dance at the end of the football season in honor of the football squad and a chili supper at the end of the basketball season.

Pep Squad: Adair, Agee, Alspaw, Asbury, Barid, Ballenger, Barger, Beaven, Faye Brown, Fern Brown, Bunker, Chorlton, Coleman, Crane, J., Crane, D., Dudley, Dunn, Elder, Elkin, Foley, Graham.

BAND

Whether it's a football game, a big parade or an important concert, Hickman's sixty-five piece band, under the direction of Mr. Merrill Ellis, has been right there to furnish music in the spirit of the occasion.

In addition to playing for our own games and parades, the band played for the Missouri University's homecoming game and led the M. U. St. Pat's parade.

Included in the concert series annually presented by the music department, was a concert given by the band featuring a guest artist, Kermit Hosch. The band has also done several programs for civic groups in Columbia. A group from the band participated in the spring music festival held in Moberly, Missouri.

Hickman can well be proud of its band for its achievement, its service to school and community.

THE ORCHESTRA

Upholding the tradition of good music, Hickman's fifty-five piece symphony orchestra under the direction of Merrill Ellis has really developed into a fine musical organization this year.

Two major concerts with Leo Steffens, pianist, and Rogers Whitmore, violinist, as guest artists were undertaken, giving Hickman and Columbia well balanced programs of fine classical and popular music.

A long awaited trip to Moberly where the Orchestra presented a concert in the Municipal Auditorium was a highlight of the year and gave the Kewpie musicians a kindly feeling toward this hospitable town.

Franklin Launer was the guest soloist on this concert and the Hickman advanced choir sang a group of numbers.

Music for the operetta, a style show, and the senior play was included on this year's calendar of activities.

The year's achievement was climaxed by their appearance in the Spring Music festival with Mr. C. M. Stookey as guest conductor.

The Orchestra has truly been one of the outstanding organizations at Hickman this year.

CHOIR

Hickman is duly proud of its advanced choir and it is especially blessed with a large number of very capable singers. The choir has a lot of fun along with their work and are called on quite often to perform on various programs. One of the major enterprises of the year was Hickman High's operetta "Shreds and Patches." The second period choir and Orchestra also took part in this production.

The Hickman singers can stick a feather in their caps for their performances of "Ballad for Americans." Mr. Clymer was the soloist in this cantata and he was a great inspiration to the choir.

It seems that a trip has become a tradition with the Hickman Mixed Choir. This year's jaunt was to Moberly, Missouri where they gave a concert for the school and performed with the Orchestra in an evening concert. They were entertained with a dinner and program at the Methodist Church.

VERSE CHOIR

To belong to the Verse Choir is the ambition of every Speech Student at Hickman. This organization, under the direction of Mrs. Helen D. Williams, is widely known throughout the country. By its programs, the Verse Choir not only renders a valuable service to the civic groups of the community, but also affords many hours of pleasure to its members.

JUNIOR ASSEMBLY

The theme for the assembly, "Jukebox Jamboree," was ably carried out in everything from a multi-colored Jukebox to couples doing the immortal "Jitterbug." The story of the assembly centers around "Granpappy" who is all against this "terrible younger generation." However after a few examples of what the Juniors can really do and an introduction to the King and Queen of Jr. Class of '46, Granpappy is truly converted and as the curtain closes is doing a jitterbug, the likes of which Hickman has never seen before or will ever see again.

SOPHOMORE ASSEMBLY

The theme of the sophomore assembly, presented April 18, was Easter customs. Beginning with the bunnies hiding colored eggs, the program continued with the Easter egg hunt, the English custom of singing on the street, a shepherd's dance, a butterfly song, a song and pantomime about new Easter clothes, and finally the Easter story from the Bible with the chorus singing a well known Easter hymn. Congratulations Sophomores!

ST. PAT'S ASSEMBLY

"Bless Pat"—by the Blue Triangle

An American soldier visits an Art Gallery in England and goes to sleep. He dreams that four of the pictures there come to life. These four pictures represent the 4 R's, reading, 'riting, 'rithmetic, and radiance.

Radiance, an Irish girl named Colleen, tells the soldier how they celebrate St. Pat's in Ireland. She then asked the queen and her attendants to come forward.

HOMECOMING ASSEMBLY

This year's Homecoming was gay and colorful. The stage designed by Mrs. Long was quite artistic in the use of autumn leaves and our school colors.

The verse choir under the supervision of Mrs. Williams took part. Captain Joe Barnes announced the crowning of the queen, Laura Jean Coleman. The arrival of Jeff City's Jaybird, played by Billy Thom, caused a great deal of excitement in the Kewpie Kingdom. But through the ever-winning Kewpie Spirit, we conquered the Jaybird by feeding him "DE Feet," and he was carried out on the "Hickman Special."

AMATEUR ASSEMBLY

The Amateur Assembly is one of the best. It is free for all who desire to be in the program, and we have a nice variety. Some sing, while others may dance or just make fun for the whole gang. We never know what to expect as the program is full of surprises.

PEP SQUAD ASSEMBLY

Preceding the Hannibal football game, the pep squad presented its annual assembly. It was "Snow White and the Seven Dwarfs." Marion Lytle portrayed the wicked queen, Joe Barnes was the Prince, Mary Alice Robertson was Snow White. Rose Wehrman was also one of the characters. The stunt was narrated by Sherry Haldeman. The supporting characters were the seven dwarfs (Kewpie football team) and the Queen's henchmen (the Hannibal Pirates). Caroline Heath directed.

THE CRESSET STAFF

This year our Creset was published by a group chosen from the senior class. We consider it an honor to be selected a member of the staff and to represent our class of 1946.

The Creset staff has met one period each day. Each member had certain duties to attend besides working together for the common aim of putting out a yearbook. We learned that it took a great deal of organization, patience, tact, close cooperation, and a lot more work than we ever dreamed of to produce a book.

We have tried truthfully and as fully as possible to record the life and traditions of Hickman High School.

It is the wish of the Creset Staff that you will find in this publication happy memories of your pleasant experiences at Hickman. In later years when you again turn through these pages may you recall the traditions and the spirit that is Hickman's.

Hickman High School is your school. The Creset is your book. We hope you will like it.
